

# Call for Nominations

The A/P Staff Council invites nominations and self-nominations to fill regular vacancies on the Council beginning May 2007. Each of the sectors shall be entitled to one representative to the Council for each fifty (50) or majority fraction of fifty members of its constituency. The number of members of each sector's constituents will be determined from the appointment records of the University as of January 31. This year, vacancies exist in two sectors: **4 within Academic Affairs and 2 within the School of Medicine.** Terms of office are three years, i.e., through May 2010.

To make a nomination, we are asking that you please submit a brief biographical sketch of the prospective candidate (length of employment at SIU, any university and/or community service, etc.). The bio information should be no more than a paragraph long. This information should be completed on the lower portion of this sheet and returned to the address below. Elections will be conducted by mailed ballot in late March, and results will be ratified by the Council at its April 18 meeting. For more information or assistance, you may contact any member of the Ad Hoc Elections Committee: Patty Cosgrove (Chair), 453-6221; John Massie, 453-1292; Allison Sutphin, 453-1529; Sandra Rhoads, 453-5679; and Donnell Wilson, 453-3354.
