

GLBT History Month 2007 | Student Development—MPS

Super Queer in the State of the Union Featuring Amber Zimmerman

What happens when Super Queer, a humanitarian working to educate people on the effects of HFV (Heteronormative Fascist Virus), attempts to psychically channel the political leadership of this country to hold an open discussion on equality right here at SIUC? This is definitely **SERIOUS**.

GLBT History Month 2007 | Student
Development—MPS
